Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1(based on job seeker)	Job seeker	find a job that need the skills that I have	Have problem in finding jobs with my skills	results found are irrelevant	discouraged, irritated and sad
PS-2(based on Recruiter)	Recruiter	find employee with the sill I want	Cannot find employee with required skills and difficult to connect with people	number of users using this is less	waste of time and difficult
